Always Encouraging

Standing is a great way to improve your child’s outlook on the world and their physical development.

- Improves blood pressure & circulation
- Helps digestion, bowel & bladder emptying
- Encourages bone & muscle development
- Gives a new perspective and ways to participate
- Aids respiration & speech
- Helps relieve pressure created during sitting
- Supports pelvis, thighs & feet so children can join in everyday activity
- Provides opportunities to increase social skills

Children also gain huge psychological advantages from standing, as well as those important physical and development benefits.
