

New Product

Specialist car seat for children with additional postural needs.

Hero NXT by Hernik

Fully adjustable specialist seating for use in vehicles, with excellent postural support options and tilt function. Suitable from birth up to 18kg.

INNOVATIVE FEATURE

Abduction Block

The optional Abduction Block is ideal for creating separation between the knees to prevent adduction.

INNOVATIVE FEATURE

Adjustable Back and Head Support

Height adjustable back and head rest.

INNOVATIVE FEATURE

Choice of Cover Colour Options

Available in a combination of Red/Black or Grey/Black. All covers are machine washable at 30°.

INNOVATIVE FEATURE

Thoracic Supports

Optional Thoracic Supports stabilise a user with poor trunk control.

INNOVATIVE FEATURE

5-Point Harness

5-point harness with shoulder and lower buckle covers.

INNOVATIVE FEATURE

Tilt-in-Space

The base offers 10° tilt-in-space, ensuring maximum comfort and positioning.

INNOVATIVE FEATURE

360° ISOFIX Swivel Base

Easy installation using ISOFIX. The base rotates in both directions for effortless transfers and transitioning from rearward-facing to forward-facing positioning.
