

# Always Supportive

Therapy programs using a range of equipment can improve your child's outlook on the world and benefit them in a variety of ways.

Encourages balance and muscle development

Aids postural control and stability

Helps digestion, bowel & bladder emptying

Assists activity and functionality

Assists freedom to explore and be creative

Provides rest and relaxation, minimising fatigue

Provides opportunities to increase social skills

Provides a new perspective and ways to participate

Children gain huge psychological and physical benefits from therapy programmes, using equipment that can aid physical, social and developmental improvements.
